Recalling all its previous resolutions on Lebanon, in particular resolutions 425 (1978), 426 (1978), 520 (1982), 1559 (2004), 1655 (2006) 1680 (2006) and 1697 (2006), as well as the statements of its President on the situation in Lebanon, in particular the statements of 18 June 2000 (S/PRST/2000/21), of 19 October 2004 (S/PRST/2004/36), of 4 May 2005 (S/PRST/2005/17), of 23 January 2006 (S/PRST/2006/3) and of 30 July 2006 (S/PRST/2006/35),

Expressing its utmost concern at the continuing escalation of hostilities in Lebanon and in Israel since Hizbollah's attack on Israel on 12 July 2006, which has already caused hundreds of deaths and injuries on both sides, extensive damage to civilian infrastructure and hundreds of thousands of internally displaced persons,

Emphasizing the need for an end of violence, but at the same time *emphasizing* the need to address urgently the causes that have given rise to the current crisis, including by the unconditional release of the abducted Israeli soldiers,

Mindful of the sensitivity of the issue of prisoners and *encouraging* the efforts aimed at urgently settling the issue of the Lebanese prisoners detained in Israel,

Welcoming the efforts of the Lebanese Prime Minister and the commitment of the Government of Lebanon, in its seven-point plan, to extend its authority over its territory, through its own legitimate armed forces, such that there will be no weapons without the consent of the Government of Lebanon and no authority other than that of the Government of Lebanon, *welcoming also* its commitment to a United Nations force that is supplemented and enhanced in numbers, equipment, mandate and scope of operation, and *bearing in mind* its request in this plan for an immediate withdrawal of the Israeli forces from southern Lebanon,

Determined to act for this withdrawal to happen at the earliest,

Taking due note of the proposals made in the seven-point plan regarding the Shebaa farms area,

Welcoming the unanimous decision by the Government of Lebanon on 7 August 2006 to deploy a Lebanese armed force of 15,000 troops in South Lebanon as the Israeli army withdraws behind the Blue Line and to request the assistance of additional forces from the United Nations Interim Force in Lebanon (UNIFIL) as

needed, to facilitate the entry of the Lebanese armed forces into the region and to restate its intention to strengthen the Lebanese armed forces with material as needed to enable it to perform its duties,

Aware of its responsibilities to help secure a permanent ceasefire and a long-term solution to the conflict,

Determining that the situation in Lebanon constitutes a threat to international peace and security,

1. *Calls for* a full cessation of hostilities based upon, in particular, the immediate cessation by Hizbollah of all attacks and the immediate cessation by Israel of all offensive military operations;

2. Upon full cessation of hostilities, *calls upon* the Government of Lebanon and UNIFIL as authorized by paragraph 11 to deploy their forces together throughout the South and *calls upon* the Government of Israel, as that deployment begins, to withdraw all of its forces from southern Lebanon in parallel;

3. *Emphasizes* the importance of the extension of the control of the Government of Lebanon over all Lebanese territory in accordance with the provisions of resolution 1559 (2004) and resolution 1680 (2006), and of the relevant provisions of the Taif Accords, for it to exercise its full sovereignty, so that there will be no weapons without the consent of the Government of Lebanon and no authority other than that of the Government of Lebanon;

4. *Reiterates* its strong support for full respect for the Blue Line;

5. *Also reiterates* its strong support, as recalled in all its previous relevant resolutions, for the territorial integrity, sovereignty and political independence of Lebanon within its internationally recognized borders, as contemplated by the Israeli-Lebanese General Armistice Agreement of 23 March 1949;

6. *Calls on* the international community to take immediate steps to extend its financial and humanitarian assistance to the Lebanese people, including through facilitating the safe return of displaced persons and, under the authority of the Government of Lebanon, reopening airports and harbours, consistent with paragraphs 14 and 15, and *calls on* it also to consider further assistance in the future to contribute to the reconstruction and development of Lebanon;

7. *Affirms* that all parties are responsible for ensuring that no action is taken contrary to paragraph 1 that might adversely affect the search for a long-term solution, humanitarian access to civilian populations, including safe passage for humanitarian convoys, or the voluntary and safe return of displaced persons, and *calls on* all parties to comply with this responsibility and to cooperate with the Security Council;

8. *Calls for* Israel and Lebanon to support a permanent ceasefire and a long-term solution based on the following principles and elements:

- full respect for the Blue Line by both parties;
- security arrangements to prevent the resumption of hostilities, including the establishment between the Blue Line and the Litani river of an area free of any armed personnel, assets and weapons other than those of the Government of Lebanon and of UNIFIL as authorized in paragraph 11, deployed in this area;

– full implementation of the relevant provisions of the Taif Accords, and of resolutions 1559 (2004) and 1680 (2006), that require the disarmament of all armed groups in Lebanon, so that, pursuant to the Lebanese cabinet decision of 27 July 2006, there will be no weapons or authority in Lebanon other than that of the Lebanese State;

– no foreign forces in Lebanon without the consent of its Government;

– no sales or supply of arms and related materiel to Lebanon except as authorized by its Government;

– provision to the United Nations of all remaining maps of landmines in Lebanon in Israel's possession;

9. *Invites* the Secretary-General to support efforts to secure as soon as possible agreements in principle from the Government of Lebanon and the Government of Israel to the principles and elements for a long-term solution as set forth in paragraph 8, and *expresses* its intention to be actively involved;

10. *Requests* the Secretary-General to develop, in liaison with relevant international actors and the concerned parties, proposals to implement the relevant provisions of the Taif Accords, and resolutions 1559 (2004) and 1680 (2006), including disarmament, and for delineation of the international borders of Lebanon, especially in those areas where the border is disputed or uncertain, including by dealing with the Shebaa farms area, and to present to the Security Council those proposals within thirty days;

11. *Decides*, in order to supplement and enhance the force in numbers, equipment, mandate and scope of operations, to authorize an increase in the force strength of UNIFIL to a maximum of 15,000 troops, and that the force shall, in addition to carrying out its mandate under resolutions 425 and 426 (1978):

(e) Assist the Lebanese armed forces in taking steps towards the establishment of the area as referred to in paragraph 8;

(f) Assist the Government of Lebanon, at its request, to implement paragraph 14;

12. Acting in support of a request from the Government of Lebanon to deploy an international force to assist it to exercise its authority throughout the territory, *authorizes* UNIFIL to take all necessary action in areas of deployment of its forces and as it deems within its capabilities, to ensure that its area of operations is not utilized for hostile activities of any kind, to resist attempts by forceful means to prevent it from discharging its duties under the mandate of the Security Council, and to protect United Nations personnel, facilities, installations and equipment,

ensure the security and freedom of movement of United Nations personnel, humanitarian workers and, without prejudice to the responsibility of the Government of Lebanon, to protect civilians under imminent threat of physical violence;

Agenda item 5
Illegal Israeli actions in Occupied East Jerusalem and the rest of the Occupied Palestinian Territory

Security Council
Sixty-first year

Identical letters dated 11 August 2006 from the Permanent Observer of Palestine to the United Nations addressed to the Secretary-General and the President of the Security Council

Israel, the occupying Power, continues to commit grave breaches of international humanitarian law, including acts constituting war crimes and State terrorism, against the Palestinian civilian population under its belligerent occupation. Throughout the Occupied Palestinian Territory, in particular the Gaza Strip, the disproportionate and indiscriminate use of force by the occupying forces continues to tragically claim the lives of more innocent Palestinian civilians.

On Wednesday, 9 August 2006, Israeli warplanes fired at least two missiles onto the civilian population residing in the Al-Nafaq neighbourhood in Gaza City. The indiscriminate missile attack killed three Palestinians, including a 3-year-old child and a 17-year-old boy. Many other innocent bystanders were injured. Also on Wednesday, Israeli occupying forces committed an extrajudicial execution in the Jenin refugee camp in the West Bank, killing two more Palestinians. In that attack, Israeli warplanes fired at least three missiles onto the camp causing a huge explosion that caused damage to several neighbouring houses. Several Palestinians living in the refugee camp were injured by flying shards of glass and debris.

In addition to death and destruction, the Palestinian population continues to be terrorized by the constant barrage of artillery shelling and the excruciating sound of Israeli warplanes hovering over their cities, towns and villages. Israel, the occupying Power, has also continued with its campaign of psychological warfare against the Palestinian population, especially in the Gaza Strip, which includes dropping leaflets in streets and on the roofs of houses, phoning civilians and threatening to destroy their houses and ordering a number of Palestinians through calls to their mobile phones to evacuate their houses, which would be destroyed. Such practices continue to spread fear and panic among a population already suffering from severe psychological trauma under Israel's brutal occupation.

The barbaric attacks committed by Israel against Lebanon continue to inflict immense human suffering among the civilian Lebanese population, including the

06-46450 (E) 140806

refugee Palestinian population. On Wednesday, 9 August 2006, Israeli gunboats shelled Ain Al-Hilweh camp, which is home to Lebanon's largest Palestinian refugee population and is located on the outskirts of the port city of Sidon. As a result of Israel's military aggression, two Palestinian refugees were killed and at least eight others were injured, including five children. The United Nations Relief and Works Agency for Palestine Refugees in the Near East voiced its concern about the situation and its affect on the already dire humanitarian situation in the camp. Moreover, Israel has also unleashed its aggression on other Palestinian refugee camps throughout Lebanon, including Al-Rashideyeh camp located on the outskirts of the southern Lebanese city of Tyre, causing many injuries to the refugee population and exacerbating their already difficult living conditions.

The present letter is in follow-up to our previous 260 letters to you regarding the ongoing crisis in the Occupied Palestinian Territory, including East Jerusalem, since 28 September 2000. These letters, dated from 29 September 2000 (A/55/432-S/2000/921) to 7 August 2006 (A/ES-10/353-S/2006/623), constitute a basic record of the crimes being committed by Israel, the occupying Power, against the Palestinian people since September 2000. Moreover, we reiterate that for all of these war crimes, State terrorism and systematic human rights violations committed against the Palestinian people, Israel, the occupying Power, must be held accountable and the perpetrators must be brought to justice.

In follow-up to the above-mentioned letters, it is my profound regret that the five Palestinians killed on Wednesday, 9 August 2006 raises the total number of martyrs killed since September 2000 to 4,154. (The names of the martyrs that have been identified are listed in the annex to the present letter.)

I should grateful if you would arrange to have the present letter and its annex distributed as a document of the tenth emergency special session of the General Assembly, under agenda item 5, and of the Security Council.
